## RESEARCH ETHICS AND INTEGRITY

Charles Greer is the Assistant Vice Chancellor for Research/CFAO in the Research and Economic Development (RED) Office of UCR. In this capacity he oversees RED's Sponsored Programs Administration (SPA), Research Integrity, Systems Development, and Finance and Administration units. He has over 20 years of experience in contract and grant management/research administration with the University of California as well as the Federal government. His career in contract and grant management began in 1990 as a Contracts Specialist in the Procurement Services Center for the US Department of Labor (DOL). He has subsequently served as Senior Contract Negotiator (DOL), Small Business Procurement Advisor (DOL), Contracts Officer (UC Irvine), and Assistant Director of SPA (UC Riverside).
